GLOBAL
delivering HOPE

2017 Annual Report

IMPACTING *the World*

...HAITI...INDIA...PERU...GUATEMALA...US...

FROM THE EXECUTIVE DIRECTOR...

-----To God Be the Glory-----

By God's grace, 2017 was another fantastic year for GoServ Global. With your support, and together with our wonderful staff, Board of Directors, country directors, volunteers, ambassadors and our field staff, we continue to see lives and communities transformed by Jesus. We are very thankful that you are walking with us on this remarkable journey as we spread the gospel wherever God leads us.

At the core of everything we do is our mission to “share God’s love by responding to disaster, empowering sustainable community development and creating world change through hands on involvement.” Because of your dedication to our mission, people are committing their lives to Christ in every country we serve in. Our tagline of “Delivery Hope” is played out daily as we can provide basic human needs, education and shelter to vulnerable and poverty-stricken children and adults, along with meeting their spiritual needs.

As you read through this annual report, you will see the various ways that God is working in Peru, India, Haiti and Guatemala as well as right here in the United States through our domestic disaster relief teams and about the number of volunteers who serve on mission trips to all these countries. Some of the 2017 highlights include:

- Continuing with disaster relief in Haiti from Hurricane Matthew by building more Safe T Homes for orphanages and families and doing Disaster relief among poor communities in Houston due to Hurricane Harvey.
- Building a birthing center in a remote part of Haiti to serve women and babies who are otherwise at risk of dying during childbirth, along with building a new community church in Haiti.
- Building a church and school in Guatemala, which will include a feeding center for low income families.
- Constructing additional levels to the boarding school in India where we are educating “Untouchable” children from the lowest caste.
- Adding a Chapel/Dining hall to Hidden Creeks Bible camp in Peru, allowing us to hold more frequent bible camps for children.

Financially, God touched the hearts of our wonderful donors as our revenues were up 20% from 2016 resulting in the doubling of revenues in the last three years. Another exciting development is the creation of the GoServ Global Foundation which is now an official 501 (c)(3) nonprofit organization that is looking for donations to ensure the financial sustainability of GoServ Global, build a reserve fund and to provide a way to fund new projects that God will ask us to do. Every dollar invested in GoServ Global helps to build God's Kingdom. Thank you for your financial and prayer support throughout 2017 and for all those who volunteered.

I expect 2018 to be another exciting year as we seek God's will to make a difference in people's lives. We are learning to dream big by setting goals and visions that are destined to fail without divine intervention and then letting God lead and wait for His perfect intervention. To God be the glory!

- *Panora, IA *Wakefield, Neb
- *Washington, Ill * Henryville, Ind
- *Correctionville, IA
- *Oklahoma City *Worthington, MN
- *Houston, TX

Your **IMPACT** with **SAFE T HOMES®**

Hurricane Matthew put the strength of the Safe T Home® to the test in Haiti with winds reaching up to 145 mph. 100% of GoServ Global's Safe T Homes® withstood the high winds with minimal damage, compared to just 10% of traditional homes! Countless lives were saved

A Story from the La Brise Community

After the hurricane devastated the area, it was difficult for our Haitian Leader - **Eddy Constant** - to know who to help since everyone had such dire needs.

Prayer led Eddy (and Ken DeYoung and Conwell Larson) to La Brise, a community of 31 families. Working with a local man who lived in La Brise, Eddy tasked him with coming up with a list of the most needy families there.

"Through a series of events that can only be attributed to the Lord putting all of this together, we were able to build Safe T Homes to replace homes destroyed from Hurricane Matthew," shared Ken. "There aren't words to describe the gratitude of those receiving homes."

After building the first 12 homes, a dedication was held with Pastor Vionel preaching and some of the girls from the Consolation Center singing. Many people came up to accept the Lord after the service. Each family received a bible and a bucket with needed items and the group prayed in each home after the service.

--Hurricane Relief--

GoServ Global Raised \$600,000+ for Haiti Hurricane Relief

This past year, GoServ Global focused relief efforts on housing. Thanks to YOUR donations since the hurricane, GoServ Global has built an additional 60 Safe T Homes in Haiti with more on the way.

We employed dozens of Haitians who built the homes, working alongside 33 GoServ Global mission teams.

In addition to building Safe T Homes, here is a sample of some of the ways GoServ Global utilized donations ...

- Built new homes/helped with home repairs for many staff members and Centre de Vie Church members (where 95 out of 108 families lost homes)
- Built a dining center/kitchen, bathroom facility, a security wall, and dig wells at several orphanages
- Purchased land at Village of Hope to build 10 Safe T Homes
- Rebuild 6 gazebos and solar systems at GoServ Global Orphanages
- Purchased large quantities of building supplies
- Covered shipping costs for homes and supplies

Altogether GoServ Global raised \$622,000 with 100% going toward hurricane relief. Yet, the needs are still great. GoServ Global still hopes to raise \$378,000 more to reach the \$1 million goal.

“Because Haiti is a country of natural disasters, people have in their minds that their homes are temporary, but the Safe T Home has changed the mindset of the people, so not only are they living in safe homes, they are also living with peace inside of them.”

and serve alongside
to
be world changers
transformed through Jesus”*

MISSION STATEMENT

GoServ Global shares God’s love by responding to disaster, empowering sustainable community development and creating world change through hands-on involvement.

Responding to Disaster – GoServ Global brings expertise in equipment operation, safety and volunteer management to serve as the hands and feet of Christ in helping local churches and communities respond to disaster.

Empowering Community Development – GoServ Global transforms the lives of the impoverished by providing for basic human needs, developing local leadership and establishing sustainable communities.

Creating World Change through Hands-on Involvement – Those who volunteer for GoServ Global missions seek to serve those in need and find their own lives transformed by the experience.

***“Serving with GoServ Global will
change your life forever!”***
