...GUATEMALA...UGANDA...US...**

FROM THE EXECUTIVE DIRECTOR...

-----To God Be the Glory-----

I am writing my fourth annual report letter, but it seems like I just got here. What makes the time fly by for me is the blessing and honor of being in the position of Executive Director for GoServ Global, Inc. Here I am surrounded by a wonderful staff, board members, country directors and many faithful volunteers. Together we seek to carry out our mission statement every day in everything we do, which is to “Share God’s love by responding to disaster, empowering sustainable community development and creating world change through hands-on involvement.” I want to thank all our donors who faithfully support what God wants to accomplish through GoServ Global. Working together, we are seeing people committing their lives to Christ in every country we serve, which is the main reason we exist.

Last year, I ended my annual report letter by stating, “I expect 2018 to be another exciting year as we seek God’s will to make a difference in people’s lives.” Well, 2018 proved to be just that, very exciting. Some of the highlights from 2018 include:

- Our Domestic Disaster Relief team spent many weeks helping people in Houston, Texas recover from Hurricane Harvey, assisting flood victims in Des Moines, and tornado victims in Marshalltown, Iowa.
- The church and ministries in Peru are exploding with the introduction of cell groups and weekend “Encounter” conferences with in-depth biblical training for men’s and women’s groups. The church has outgrown its second location in 3 years so they are currently seeking God’s will for a new location to reach more people for Christ.
- In Haiti, we built a new church next to our orphanage and school complex to serve our children and surrounding community. The new birthing center opened and our first baby, a little boy, named Ruben was born on December 5, 2018. The new professional school teaching various trades is thriving.
- The church and school building are nearing completion in Guatemala. We expect to have nearly 100 students attending the school when it opens in early 2019.
- Several new churches have been built in India during 2018. There are plans to build a medical clinic in 2019.
- In 2018, God directed us to another country, Uganda, where we are working with a missionary friend to build a village, using 30 Sukup Safe T Homes®, for “parentless” refugee children who have fled war-torn South Sudan and are currently living in refugee camps in northern Uganda.
- We hired a part-time Marketing Director, Doug Fogwell, to help us spread the word about GoServ Global and our excellent brand.

We completed our first three-year strategic plan at the end of 2018 and look forward to prayerful consideration of our next three-year plan. Our desire is to develop a new strategic plan that is more kingdom-focused and have decided to seek God’s will over the next few months as we prayerfully consider God’s direction. Thanks again to all our supporters who give sacrificially of money, time and talents. Because of you, our tagline, “Delivering Hope” becomes a reality for the many vulnerable and poverty-stricken people who God calls us to serve.

transformed through Jesus”*

MISSION STATEMENT

GoServ Global shares God’s love by responding to disaster, empowering sustainable community development and creating world change through hands-on involvement.

Responding to Disaster – GoServ Global brings expertise in equipment operation, safety and volunteer management to serve as the hands and feet of Christ in helping local churches and communities respond to disaster.

Empowering Community Development – GoServ Global transforms the lives of the impoverished by providing for basic human needs, developing local leadership and establishing sustainable communities.

Creating World Change through Hands-on Involvement – Those who volunteer for GoServ Global missions seek to serve those in need and find their own lives transformed by the experience.

***“GoServ Global is a unique ministry
in that it partners with local missions
& meets real needs.” –Kaylee Earll,
GoServ Global Ambassador***
