FROM THE EXECUTIVE DIRECTOR...

-----To God Be the Glory-----

God was very active and working in mighty ways at GoServ Global this year. This is one of the things that first attracted me to this wonderful organization and it is so encouraging to see God's continued leading and blessings another year. In addition to the service and volunteer statistics included in this annual report, I'd like to point out a few highlights for 2016.

- With some of the improvements in technology that took place last year, we are now a much more efficient organization.
- Sending our first missionary to Guatemala to start and build a new church and school.
- Completion of our rebranding strategy plan due to our name change.
- Celebrated our 5 year anniversary.
- Published the book, "Shattering the Box", which is the story of GoServ Global's start and how God has blessed us over the last 5 years.
- A quick and effective initial disaster relief response to Hurricane Matthew in Haiti where our facilities took a direct hit with winds up to 145mph. We are so thankful that all our children and staff survived, and all our Safe T Home® buildings survived the strong winds.
- 100% of donations designated to a specific project went to that project.
- There were so many stories about how God blessed us financially through His committed donors which allowed us to finish the year in the black once again!

With some new programs, improvements and ideas, we are in a great position to serve more people wherever God chooses to direct us in 2017. Listed below are a few initiatives for the new year.

- Building a new church building in Haiti to serve our children, staff and the surrounding community.
- Implementation of new Team Leader and Leadership Ambassador training programs.
- Continue the hurricane relief efforts which will be a multi-year project.
- Raising funds for ongoing and new projects in Haiti, India, Guatemala and Peru, as well as our domestic disaster relief efforts.
- Looking for additional ways to use our Safe T Home® to meet the housing needs of people around the world.

I can't tell you how exciting it is to work at GoServ Global with this great team of staff and Board members, awesome volunteers, Ambassadors, country directors and team leaders. I am so thankful that we have the best donors that are committed to the people we serve, not only financially, but through mission trips, prayer and hands-on involvement.

Together, as a team, we are working to fulfill our vision of "Empowering those we serve and serve alongside to be world changers transformed through Jesus." I can't wait to see all that God will be asking us to do in 2017. Looking forward to obeying his calling and rightfully giving Him all the glory.

--Hurricane Relief--

GoServ Global Raised \$400,000 for Haiti Hurricane Relief.

- Built 35 Safe T Homes® (Center of Help Orphanage, Bethel Orphanage, Village of Hope, Bamboula Beach Community, Maya Community) & ordered another 15 homes
- Built new homes/helped with home repairs for many staff members & Centre de Vie Church members (where 95 out of 108 families lost homes)
- Consolation Center Orphanage: Built new dining center
- Center of Help Orphanage: Built a kitchen, bathrooms, and a security wall around property
- Bought land at Village of Hope to build 10 Safe T Homes®
- Rebuilt 6 gazebos at GoServ Global Orphanages
- Replaced roofing for 5 Projects, and pump building & solar system at Village of Hope

For two months, Marie and her six kids had been living under this thatched roof which is all that remained of their home after Hurricane Matthew destroyed it. The family dug a hole in the side to crawl in and out of to get out of the weather. I can't explain the look of joy in their eyes as the family watched their Safe T Home® being built. When their home was completed, Marie was so grateful. On Sunday she cleaned up and walked all the way to our house to give us a fish to say thank you. It was all she had.

The difficult part is there are so many more like Marie needing help.

MISSION STATEMENT

GoServ Global shares God’s love by responding to disaster, empowering sustainable community development and creating world change through hands-on involvement.

Responding to Disaster – GoServ Global brings expertise in equipment operation, safety and volunteer management to serve as the hands and feet of Christ in helping local churches and communities respond to disaster.

Empowering Community Development – GoServ Global transforms the lives of the impoverished by providing for basic human needs, developing local leadership and establishing sustainable communities.

Creating World Change through Hands-on Involvement – Those who volunteer for GoServ Global missions seek to serve those in need and find their own lives transformed by the experience.
