

Minor Consent Form for Travel

If you have a child who is traveling abroad who is still a minor, then a Travel Consent Form is required. The Customs and Border Protection highly recommend a Child Travel Consent form signed by both parents/legal guardians or by the parent that is not traveling with the child. This eases any travel or customs issues that may arise. **Once filled out and notarized, please submit by mail to PO Box 193 Eagle Grove, IA 50533.**
