Centre de Vie Church Rebuild

Funds needed: \$71,000

Aug. 14, 2021, a 7.3 magnitude earthquake devastated much of south Haiti. Centre de Vie's church building was beyond repair, so we've been helping to buy a new property. Since then, they have been meeting on the street and, most recently, under a tent at the new land that's been purchased. The building process has begun, and we would love to be able to complete the first phase soon. Help to build a church that will share the gospel and transform lives for years to come!
